

Request for Proposal
Tractor with Commercial Front Mounted Rotary Mower
and Attachments
December 4, 2023

City of Fargo

Request for Proposal

The City of Fargo is requesting proposals for (1) tractor (1) Commercial Front Mounted Rotary Mower, (1) Rotary Angle Broom and (1) Drop Spreader. Sealed proposals will be received at fargond.bonfirehub.com/ or the City of Fargo Auditor's Office at 225 4th Street North, Fargo, ND 58102, for the purpose of evaluating costs and operating parameters on (1) Commercial Front Mounted Rotary Mower, (1) Rotary Angle Broom, and (1) Drop Spreader. Upon completion of the evaluation by the selection committee an order may be placed.

Proposals will be received until 2:00 PM on December 4, 2023.

Need Help?

Please contact Bonfire at Support@GoBonfire.com for technical questions related to your submission.

CITY OF FARGO RIGHTS

The City reserves the right to cancel this RFP in writing or postpone the date and time for submitting proposals at any time prior to the proposal due date. The City, by this RFP, does not promise to accept the lowest cost or any other proposal and specifically reserves the right to reject any or all proposals, to waive any formal proposal requirements, to investigate the qualifications and experience of any Proposer, to reject any provisions in any proposal, to modify RFP contents, to obtain new proposals, to negotiate the requested services and contract terms with any Proposer, or to proceed to do the work otherwise.

The City hereby notifies all proposers that it will affirmatively insure that in regard to any contract entered into, pursuant to this request, minority business enterprises will be afforded full opportunity and are encouraged to submit proposals in response to this invitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award. The City reserves the right to accept or reject any and all bids that is in the best interest of the City. All questions and inquiries will be addressed to:

GENERAL SPECIFICATION

MODEL: Unit shall be a new current year model.

WARRANTY: Shall be stated in **writing** on the form provided.

DELIVERY: Proposer must perform a complete pre-delivery service prior to delivery of equipment. All units are F.O.B., Fargo Central Garage.

Proposer must state the number of days for delivery from time of order.

MANUALS: One (1) complete service manual, flash drive or printed
One (1) complete parts manual, flash drive or printed
One (1) operator's manuals.
One (1) training video (if available)
One (1) complete service filter part number list

TRAINING: Upon delivery to end-user Proposer will provide instruction to operators on proper operation and daily maintenance.

PROPOSER: There shall be \$500,000.00 minimum of product liability coverage by the manufacturer and minimum of \$500,000.00 liability coverage by the product installers to protect the City of Fargo. Certification shall be provided with proposal.

Preference may be given to Proposer who has a local dealer with a reasonable amount of parts inventory for the unit that has been proposed and a complete service facility. On new models or equipment not previously purchased by the City of Fargo, the selection committee may elect to have a demonstration of the models being considered.

1.0 INTENT

It is the intent of this specification to provide for the purchase of a new and unused (1) Tractor (1) Commercial Front Mounted Rotary Mower, (1) Rotary Angle Broom and (1) Drop Spreader to be used by the City of Fargo.

The City of Fargo has evaluated different styles of (1) Tractor (1) Commercial Front Mounted Rotary Mower, (1) Rotary Angle Broom and (1) Drop Spreader and has determined that this published specification is best suited for the City of Fargo's needs in terms of quality and features. This specification shall not be interpreted as restrictive but rather as a measure of quality and performance against which all other Commercial Front Mounted Rotary Mower with Attachments will be compared.

In comparing proposals, comparison will not be confined to price only. The successful proposer will be one whose product is judged as best serving the interests of the City of Fargo when price, product, quality and delivery are considered. The City of Fargo also reserves the right to reject any or all proposals or any part thereof, and to waive any minor technicalities. A contract will be awarded to the proposer submitting the lowest responsible proposal meeting the requirements.

2.0 EQUIVALENT PRODUCT

Proposals will be accepted for consideration on any make or model that is equal or superior to the (1) Tractor (1) Commercial Front Mounted Rotary Mower, (1) Rotary Angle Broom and (1) Drop Spreader specified. Decisions of equivalency will be at the sole interpretation of the City of Fargo. A blanket statement that equipment proposed will meet all requirements will not be sufficient to establish equivalence. An original manufacturer's brochure of the proposed product is to be submitted with proposal.

3.0 INTERPRETATIONS

In order to be fair to all proposers, no oral interpretations will be given to any proposer, as to the meaning of the specification documents or any part thereof. Every request for such a consideration shall be made in writing. Based on such inquiry, the City of Fargo may choose to issue an addendum in accordance with local state laws.

4.0 GENERAL

The specification herein states the minimum requirements of the City of Fargo. All proposals must be regular in every respect. Unauthorized conditions, limitations, or provisions shall be cause for rejection. The City of Fargo will consider as irregular or non-responsive any and all proposals that are not prepared and submitted in accordance with the proposal document and specification, or any proposal lacking sufficient technical literature to enable the City of Fargo to make a reasonable determination of compliance to the specification. It shall be the Proposer's responsibility to carefully examine each item of the specification. Failure to offer a completed proposal or failure to respond to each section of the technical specification (COMPLY: YES NO) will cause the proposal to be rejected without review as non-responsive. All variances exceptions and/or deviations shall be fully described in the appropriate section. Deceit in responding to the specification will be cause for rejection.

5.0 SPECIFICATIONS

	<u>YES</u>	<u>NO</u>
<u>5.1 Engine</u>		
1. Tier 4 final; liquid cooled; 3 cylinder diesel engine.	_____	_____
2. Minimum of 35 Gross HP.	_____	_____
3. Air cleaner will be dual element dry type with air restriction indicator.	_____	_____
4. Spin-on, throw-away type oil filter.	_____	_____
5. Spin-on fuel filter with water separator.	_____	_____
6. Minimum fuel tank capacity of 15 gallons.	_____	_____
7. Direct fuel injection.	_____	_____
8. Exhaust under engine hood and pointed directly away from the operator.	_____	_____
<u>5.2 Transmission</u>		
1. Hydrostatic transmission.	_____	_____
2. Two (2) ranges, high and low, in forward and reverse.	_____	_____
3. 4 wheel drive capabilities.	_____	_____
4. Dual speed range, high/low.	_____	_____
<u>5.3 Hydraulic system</u>		
1. Open center system for wintertime operations.	_____	_____
2. Minimum pump capacity of 6gpm.	_____	_____
3. Hydraulic front two (2) point implement lift.	_____	_____

	<u>YES</u>	<u>NO</u>
<u>5.4 Tires</u>		
1. Front (drive) minimum of 26 x 12 -12 tubeless turf tires.	_____	_____
2. Rear (steering and 4wd) minimum of 20 x 10 -10 tubeless turf tires.	_____	_____
<u>5.5 Steering</u>		
1. Wheel with tilt steering column.	_____	_____
2. Hydraulic power steering.	_____	_____
<u>5.6 Power take off</u>		
1. Front PTO.	_____	_____
2. Shaft drive with PTO clutch.	_____	_____
3. Hydraulic wet multi discs.	_____	_____
<u>5.7 Cab</u>		
1. Hand operated throttle.	_____	_____
2. Hydraulic implement lift.	_____	_____
3. Hour meter, fuel gauge, engine oil pressure gauge, coolant temp gauge and warning indicator lights.	_____	_____
4. High back, deluxe adjustable air suspension seat, two adjustable armrests and a retractable seatbelt.	_____	_____
5. Factory installed cab closed enclosure with ROPS.	_____	_____
6. Interior and exterior rear view mirrors.	_____	_____
7. Multiple speed windshield wipers.	_____	_____

	<u>YES</u>	<u>NO</u>
