BOARD OF PARKING COMMISSIONERS MINUTES

Regular Meeting:

Thursday:

January 25, 2018:

The Regular Meeting of the Board of Parking Commissioners of the City of Fargo, North Dakota, was held in the City Commission Room at City Hall at 9:00 o'clock a.m., Thursday, January 25, 2018.

The Parking Commissioners present or absent were as follows:

Present: Chairperson Mike Williams (via conference call), Margie Bailly, Brian Hayer, Randy Thorson, Jay Krabbenhoft

Absent: None

Also Present: Commissioner Piepkorn

Acting Chairperson Thorson called the meeting to order.

Item 1: Approve Order of Agenda

Member Hayer moved the Order of Agenda be approved as presented. Second by Member Bailly. All Members present voted aye and the motion was declared carried.

Item 2: Minutes: Regular Meeting of November 30, 2017

Member Hayer moved the minutes of the November 30, 2017 Parking Commission meeting be approved. Second by Member Bailly. All Members present voted aye and the motion was declared carried.

Item 3: Interstate Report/Financial Data

Andy Renfrew, Interstate Parking (IP), presented the 2017 November and December financial and operations reports. He added staff is currently working with the downtown business owners on ideas for further promoting of the fargoparking.com website to the public.

Mr. Renfrew shared information on a device he is currently testing called a Beacon. He explained placing this device within a certain parameter alerts cell phone users nearby with specific information such as parking locations, etc.

The Board further discussed the reports and requested staff provide the revenues they are projecting for 2018, at the February Parking Commission meeting.

Item 4: Citation Revenue Review

Mr. Renfrew reviewed the parking citation data reports included in the packet provided by the City's data management program, Duncan Solutions.

The Board discussed the importance of this information and how the data reflects the improvements made in public awareness of the City's parking rules and regulations.

Item 5: Facility Capital Improvement Update

Director of Strategic Planning and Research Jim Gilmour presented the following updates, regarding condition assessments completed in August of 2016 on the following City-owned parking facilities:

a. Ground Transportation Center

Mr. Gilmour stated the City hired Carl Walker to complete a peer review of the condition assessment completed by KLJ in 2016. He noted the review by Carl Walker presents solutions that are more feasible for issues needing repair at the GTC. Mr. Gilmour presented a listing of the specific items he felt were a priority and could be completed and financed in 2018.

b. Island Park Ramp

Mr. Gilmour explained there is TIF money available for the repairs proposed for this ramp.

c. Civic Center Ramp

Mr. Gilmour stated he will meet with the Finance Committee to discuss the funding needed to complete the repairs needed at this time.

Mr. Gilmour submitted to the Board the recent proposals he received from Carl Walker for these facilities. He stated he would like to continue working with Carl Walker to complete the repairs this year.

Board discussion continued regarding the cost and funding needed, lighting upgrades, etc. The Board requested staff to research other funding sources that could be pursued, and to present this information at the next meeting.

Item 6: Other Business

Mr. Gilmour acknowledged Derrick LaPoint for his work with this Board and the Planning Department. Mr. LaPoint will be leaving the middle of February. Mr. Gilmour also shared that he will be moving to the City's Commission Offices, and Nicole Crutchfield will be the new Planning Director.

Mr. LaPoint shared after visiting with representatives from TESLA; the company will be donating the equipment needed to install charging stations at the Roberts Commons Parking Ramp.

Member Hayer left.

Item 7: Adjournment

Member Bailly moved to adjourn the meeting at 9:45 a.m. Second by Member Williams. All Members present voted aye and the motion was declared carried.

RE: Special Event Permit

City staff has received requests with increasing frequency to host events in City-owned parking facilities. We believe that by formalizing the event review process we can host more events, potentially driving awareness of the City's parking assets, and improve the experience for event participants and the greater downtown community.

Fortunately, with a few amendments, the existing Special Event Permit would satisfy our review needs. Changes needed include:

1. Insurance:

General liability insurance would be required of any group hosting an event in a City owned facility with the City being named as additionally insured.

2. Cleaning Deposit:

The event host would be required to post a deposit according to the following table for the purpose of returning the site to the original condition, if host fails to do so.

Estimated Number of Attendees	Deposit Amount
0-100	\$100
101-250	\$250
250+	\$500

Recommendation: To direct Staff to finalize amendments to the Special Event Permit and allow for approval decisions to be made at the Staff level.

18-0314. - Community events and festivals.

The planning director is hereby authorized to grant a permit, after notice, a hearing before the review committee and approval by vote of the majority of the members of the review committee in attendance, for certain types of community events or festivals to take place upon the public streets, sidewalks, squares, avenues or alleys of the city.

- A. The sponsor of the event or festival shall submit to the planning director a written application for a permit at least 45 days prior to the opening of the community event or festival for which a permit is desired. The application shall state:
 - 1. The time, date and location of the festival or event;
 - 2. The group, firm or individual by whom the festival or event will be sponsored;
 - 3. The purpose of the festival or event;
 - 4. The activities that will be held.
- B. A hearing must be held by the review committee, after notice of the application and of the hearing is given. The provisions of sections 20-0901 through 20-0904 of the Land Development Code shall apply to the requirements for such applications, notice, the burden of proof or persuasion and date of decision and time period for appeals, with the exception that appeals of final decisions must be filed within 24 hours of the date of the decision. The decision of the review committee may be appealed to the board of city commissioners.
- C. In granting permits for community events and festivals, the review committee shall consider the following:
 - 1. The nature of the event or festival and how it can serve the community of the city and its citizens;
 - 2. The time period during which the event or festival will occur;
 - 3. The location of the event or festival and whether the location inhibits the safe flow of traffic in the city;
 - 4. Whether the activities would be in compliance with other applicable laws;
 - 5. Whether the event or festival is to benefit nonprofit community service organizations. Commercial events or festivals which generate profit for the private sector, other than profit incidental to the festival or event which is made by persons other than the sponsor of the festival or event, shall be permitted only if the applicant submits evidence to the review committee that the event or festival constitutes a community service; and
 - 6. The general health, safety and welfare of the participants in the event or festival and the citizens of the city.
- D. The annual Downtown Street Fair, sponsored by the Downtown Community

Partnership, is deemed a festival and shall be automatically allowed.

- E. The sponsor of the event or festival shall provide all cleaning services necessary to rid the festival area of all debris and litter created as a result of the event or festival.
- F. The issuance of a permit to a sponsor shall authorize only that sponsor and participants specifically authorized by the sponsor to participate in that community event or festival without the restrictions imposed by this chapter.
- G. Authorized participants in a community event or festival for which a permit has been issued shall not be required to obtain a city permit required by the provisions of sections 18-0307 through 18-0316, for the period during which the community event or festival takes place; provided, however, that in no event may any person affix any structure to the sidewalk or other public right of way during such community event or festival without an encroachment agreement.
- H. Community events and festivals will be posted in city hall, near the office of the city auditor and on the city's website.

MEMORANDUM

TO: Parking Commission
FROM: Interstate Parking
DATE: March 14, 2018
RE: 2018 City of Fargo Budget

Interstate Parking has provided a budget of expenses and revenue from off-street parking facilities.

Notes:

- We continue to operate the 3rd Avenue Lot though we have not leased space since Summer 2017. We will continue to monitor the lot until a decision is made on the Block 9 development;
- Signage upgrades are included however a decision will be made after another review of competitive bids;
- Expenses are expected to be 9.2% less than 2017;
- Revenues are expected to be up 17.3% based on a full year of operations at Roberts Commons, contracting with RoCo tenants, and rate increases at other facilities;

Jim,

Items that would need to be addressed (may be others) are as follows:

- 1) Structural Implications both for precast wall and foundation wall as both would be impacted at this location.
- 2) Durability implications related to proposed modifications required.
- 3) How does this door affect the future installation of air ducting planned?
- 4) How does this door affect the installation of the mechanical unit adjacent to this location?
- 5) How will the sump at this location be addressed with regards to pedestrian traffic at this location?
- 6) Is there an elevation difference in the floors? How will this be addressed?
- 7) Do the floor slopes meet building code requirements for a landing at the proposed doorway or will revisions be required?

Our potential restaurant tenant locating in the SW corner of RoCo has raised the question if the City/Condo Board would be open to the idea of adding a door opening (see below). Similar to the north doors, we would coordinate the opening with the pre-cast shop drawings. So everyone is aware, this door would exit to garage area that is half story below. This would not remove any parking stalls, as this location is already designated in condo docs to house the footprint of the exhaust/fresh air ducting.

On its face value does this seem like a feasible idea? If so, we would work on exploring the details of how it would work, code implications, and would eventually incorporate it into the amended easement.

Thanks

I too requested a quote from TAPCO. For two lit signs (outside for the main entrance and inside for the main exit) is \$1,750. Does not include install or electrical.

Subject: RoCo Garage - Entrance Arrow & X Signs

We have observed and hear feedback from quite a few people about the entrance signs at the garage creating confusion. Originally all six of the arrows and X were going to be lit, but the City issued a change order to swap out the four outside lanes to static non-lit signs.

Issues:

- When the center enter sign is "X" a lot of people don't notice the non-lit green arrow and will drive off thinking the garage is full or closed.
- When the center exit sign is "↑" a lot of people don't notice the non-lit green arrow and cars will all queue waiting the exit the center lane only.

We estimate it would be about \$4000 to run some face mounted conduit with wiring and purchase 4 additional lit signs from Tapco. We could also explore finding non-Tapco signs that are similar, but lower priced.

If this is something you would have interest in we could pull together cost estimates.
